4. UI/UX Design Standards, 3D Engine & Local Execution

* Pure Standalone Architecture: 100% pure HTML5, modern CSS3 (assets/css/style.css), and vanilla JS (assets/js/main.js).
* Unified Fixed Header: Collapsible topbar with live pulsing status indicator and 3-zone navbar with glassmorphic dropdowns.
* True 3D Interactive Depth: 3D perspective card tilt, radial spotlight cursor glow, orbiting 3D rings, and SVG bottle engine.
* Strict Card Baseline Alignment & Custom Vector SVGs: Zero cartoon emojis; equal-height cards across every row.
* How to Run: Open E:\Pop Water Website\index.html directly in Chrome, Edge, or any modern desktop/mobile browser.
